## Moxie network embraces Tampa

*Published: Monday, November 3, 2008 at 11:56 a.m.*

Women With Moxie, a women's networking group founded last year by Sarasota businesswomen Elsie Gilmore and Laura Daniel Gale, has grown to the point where it is opening a third chapter in Tampa.

Every month, the group meets for social interaction and business networking in a relaxed atmosphere and to do some "girl bonding." Members can also post their profiles online, along with events, requests and business news.

After the Sarasota group grew to 400 members, the founders opened a chapter in Venice over the summer that now has about 100 members.

On Nov. 19, the group will hold its first out-of-town event from 7 to 9 p.m. at The Grape, in the International Mall, 2223 N. West Shore Blvd., Tampa.
